Terms & Conditions

RETURNS & CREDIT POLICY

All returned goods will require prior authorization, proof of purchase, and a Return Goods Authorization (RGA) number. The Delaney Hardware RGA is valid for 15 days from date of issue.

- Requests to return must be made within 45 days from date of invoice. Items must be in original packaging and in resalable condition to be determined at our discretion. Specially fabricated, discontinued, made-to-order, or custom-machined items are not returnable.
- All Returns are subject to inspection. Products not in resalable condition will not be approved and customer will have the option for Delaney Hardware to destroy or for the Customer to pick up at their expense. Products not picked up within five days of notification will be destroyed.
- All Returned merchandise is subject to a 25% restocking fee plus 2-way freight.
- Pricing and quantity discrepancies must be made within 15 days from date of invoice.
- If you wish to make a warranty claim based upon product defect, please contact us at warranty@delaneyhardware.com. You must include images of the reported defect and purchase order history details.

ORDER TRACKING

Delaney customers may track UPS shipments by using either the assigned tracking number (available from customer service the morning following your shipment) or by using the shipment reference number (customer PO#). If you would like to sign up for automatic shipment notifications via email, please contact your inside sales representative.

SHIPPING INFORMATION

With the rise in operational costs over the last two years, we have implemented a minimum order threshold of \$75.00.

Any order below \$75.00 will incur a \$25.00 processing fee.

- Orders are entered into our fulfillment system upon receipt.
- Add-ons are handled as a separate order; freight charges will apply per order.
- Keyed orders and displays are excluded from same day shipping.
- A \$7.50 drop ship fee will be added per ship direct order. Due to global freight price increases, we have revised our 2022 Shipping Fees. Both individually-labeled parcel shipping and the larger Less-than-Truckload (LTL) pallet shipping will be affected.
- Prepaid freight is included on orders totaling more than \$1,500.00 (this excludes barn door hardware). Whether a shipment is sent small parcel or LTL, if that order meets or exceeds \$1,500.00, the order is shipped prepaid, regardless of weight.

PARCEL SHIPPING

- Orders less than 150 lb will ship via Parcel Freight.
- Expedited Parcel Freight charges are estimated, and actual freight will be billed at shipment.
- Freight costs will be added to the invoice to be paid by the customer.
- Please note: All orders with 4+ Barn Door Tracks must ship LTL and not Parcel.

LTL SHIPPING

- Orders greater than 150 lb will ship via LTL Freight. (rates will vary)
- All LTL Freight charges are estimated, and actual freight will be billed at shipment.
- Expedited charges are the responsibility of the customer.
- Freight costs will be added to the invoice to be paid by the customer.
